**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please leave GorgeNet as it is. I get great service anytime. When they say they are going to do something, they do. I use to have CenturyLink and they were very impersonal. I have tried several times to contact CenturyLink regarding phone lines to my property, when I finally got someone to speak to, three times in fact, promises, promises and they never got back to me. No price hikes - being a senior citizen, I am on a fixed income, taxes going up and now this threat! I did have DSL, but now have WiFi and service is so nice.
